

## Iground Adjustable 100

code IG005C.930F/20

### PRODUCT DESCRIPTION

Collection of walk-over recessed floor luminaires with integrated Chip On Board LED sources with monochromatic emission, fixed or adjustable optics. The tilting is obtained without having to open the article, thanks to a mechanical movement located on the lamp body. The body, circular in shape, is available in three sizes Ø 65 mm, Ø 84 mm, Ø 132 mm and made of anodized aluminum, with an AISI 316L stainless steel flange, complete with extra-clear tempered safety glass, without visible screws. The fixtures are supplied with 2 meters of neoprene cable. Additional 5m, 10m, 15m or 20m cable is available up upon request. Cylindrical outer casings available. IP67.

### PRODUCT SPECS

|                              |                                       |
|------------------------------|---------------------------------------|
| Installation method          | Recessed with frame, Floor            |
| Light source                 | LED                                   |
| Absorbed power               | 12 W                                  |
| Color temperature            | 3000K                                 |
| Color rendering index CRI    | >90                                   |
| Optic                        | Flood 24°                             |
| Finishing                    | Brushed steel                         |
| Luminous flux of the product | 1320 lm                               |
| Luminous efficiency          | 110 lm/W                              |
| MacAdam color tolerance      | 2                                     |
| Life time estimate           | 2SCDM 50.000h L90 B10 ta25°           |
| Energy efficiency class      | D                                     |
| Weight                       | 0.8 Kg                                |
| Dimension                    | L10000xH85 Ø132 mm                    |
| Hole size                    | 108 mm                                |
| IP Grade                     | IP67 / IP67                           |
| Protection Class             | Class III appliance                   |
| Product Spec                 | Adjustable, Walk-over, Circular shape |
| Power supply/Transformer     | Not included                          |
| Protocol                     | See power supply                      |

### ASSEMBLY INSTRUCTIONS

Complies with EN605981 and related notes. In the absence of metric symbols, the measurements are all in millimetres.

Luminous flux and power data are initially subject to tolerances +/- 10%. The values refer to an ambient temperature of 25°C unless otherwise specified.

We reserve the right to make changes to our products at any time.
